- (4) The procedure for prize claims made through a retailer (other than the Commission) is as follows:
 - (a) the claimant must complete the back of the ticket and present it to the retailer who must—
 - (i) process the ticket through the terminal to register the claim; and
 - (ii) then provide the claimant with a lotto prize claim form;
 - (b) the claimant must immediately complete the lotto prize claim form and return it to the retailer;
 - (c) the retailer must endorse the lotto prize claim form and return to the claimant 1 copy of the endorsed form as a receipt for the surrender of the ticket;
 - (d) the lotto prize claim form with the accompanying ticket must then be forwarded by the retailer to the Commission for validation.
- (5) If a claim for a prize is submitted to the Commission without a duly completed lotto prize claim form, the Commission, before paying any prize, may require the person making the claim to complete a lotto prize claim form.

52 Payment of prizes of more than \$1,000

- (1) The Commission must pay a claimant under rule 51 in the manner set out in subclause (2) if—
 - (a) all the ticket validation requirements set out in these rules have been satisfied; and
 - (b) the Commission has not made a determination under rule 43(2).
- (2) A cheque payable to the order of the claimant or a direct credit to the claimant, for the amount of the prize due, must be,—
 - (a) in the case of a cheque, either posted to the claimant or, for a claim made in person, handed to the claimant; or
 - (b) in the case of a direct credit, transferred to the bank account nominated by the

claimant.

- (3) A cheque posted to the claimant's address on the lotto prize claim form must be treated as having been received by the claimant on the third day after the cheque is posted.
- (4) The Commission must pay a claimant under rule 51 in a manner determined by the Commission if—
 - (a) all the ticket validation requirements set out in these rules have been satisfied; and
 - (b) the Commission has made a determination under rule 43(2).
- (5) If a ticket is not validated by the Commission, the claim must be refused and the claimant notified promptly of the refusal.

53 Bonus lotto strike selection

- (1) If the ticket validation requirements and the other requirements of these rules are satisfied in respect of a lotto strike division four prize, that prize must not be paid and satisfied monetarily, but must instead be paid and satisfied by the issue, to the bearer of the ticket or, in the case of a ticket purchased electronically, to the purchaser of the ticket, of a bonus ticket with a lotto strike selection for the lotto strike game to be drawn next following the issue of the bonus ticket.
- (2) A bonus lotto strike selection for a bonus ticket must be chosen on a random basis by the Commission's computer system.
- (3) If, when the bearer of a ticket claims a division four prize or when the bearer of a bonus lotto strike ticket presents that ticket for validation, there is no lotto strike game on sale (or, for a ticket purchased electronically, the purchaser is eligible for a division four prize and there is no lotto strike game on sale), then,—
 - (a) instead of the prize being a bonus lotto strike selection, the prize must be the monetary equivalent; and
 - (b) the bonus lotto strike ticket may be redeemed for the monetary equivalent (which, in the case of a ticket purchased electronically, will be credited to the purchaser).
- (4) The monetary equivalent for each winning division four lotto strike selection is \$1.00.

- games for which a draw will be held before the withdrawal.
- (2) For a ticket issued in printed form by a terminal, if, for any reason, a drawing for lotto powerball or lotto strike to which an advance game entry or multi draw selection relates is not held, the player is entitled, despite rules 26(6) and 27(7), —
- (a) to return for cancellation any ticket on which any multi draw selections or advance game entries are recorded; and
 - (b) on the cancellation of that ticket, to a refund equal to the cost of his or her selections for each game for which a drawing was not held.
- (3) For a ticket purchased electronically, if, for any reason, a drawing for lotto powerball or lotto strike to which a multi draw selection relates is withdrawn or not held, the player is entitled to a refund equal to the cost of his or her selections for each game for which a drawing was not held.

57 Payment into prize reserve fund

Any money that is not won in the last game of lotto powerball or lotto strike before its withdrawal must be paid into the prize reserve fund.
