

## BENEFITING NEW ZEALAND COMMUNITIES

All profits from Big Wednesday and other NZ Lotteries' games go to the Lottery Grants Board for distribution to New Zealand communities. NZ Lotteries has generated over \$3 billion in profits for NZ communities since it began in 1987.

All NZ Lotteries games are scrutinised by the Department of Internal Affairs and Audit New Zealand.

## HAVE FUN, PLAY RESPONSIBLY

For most people, playing lottery games is fun. However, for a small number of people, playing lottery games can lead to a gambling problem. While lottery products rarely cause problem gambling, NZ Lotteries is committed to the principles of social responsibility and supports programmes that help protect people most at-risk.

## BIG WEDNESDAY COMBO

COMBO MAKES IT FUN TO PLAY BIG WEDNESDAY WITH FRIENDS, FAMILY OR WORK MATES.

Combo allows you to combine 8, 9, or 10 of your group's lucky numbers and coin toss selection. A Big Wednesday Combo ticket gives you every possible combination of your numbers plus the coin toss selection.

Simply fill out a coupon, or you can buy a Big Wednesday Combo Dip where the terminal randomly selects your numbers and your heads or tails selection. Multidraw Big Wednesday Combo tickets are also available.

Note: you can choose heads or tails for your coin selection or you can choose both heads and tails (which doubles the number of selections and the price). See the Big Wednesday Combo coupon for more information.

A Multidraw ticket allows you to play your own selections or a Dip over 2, 3, 4, 5 or 10 consecutive draws. This is particularly handy if you don't have the opportunity to purchase a ticket each week and don't want to miss out on a chance to win Big Wednesday.

An Earlybird ticket means you can purchase a ticket for a future draw, up to 10 weeks in advance of the current draw. This is particularly handy if you're planning to go away and don't want to miss out on a particular Big Wednesday draw.

# HOW TO PLAY

# BIG WEDNESDAY™

## THE GAME OF BIG WEDNESDAY

### WIN BIG WEDNESDAY, LIVE LARGE ON THURSDAY!

Big Wednesday is a lottery game that offers you the chance to win the ultimate lifestyle. Every week there are lots of cash and luxury prizes to be won.

The Big Wednesday draw occurs every Wednesday night at approximately 8.20pm on TV One. 6 numbers are drawn from a possible 50 numbers out of the Big Wednesday ball machine. There is also a heads or tails coin toss. The aim of the game is to match the 6 numbers drawn and the coin toss.

If, on the same line, you match all 6 numbers drawn and have the correct heads or tails, then you win Big Wednesday first division!

## BIG WEDNESDAY IS A JACKPOTTING GAME

The first division prize jackpots each week the prize is not won. The first division prize starts at \$2 million plus 2 cars, a boat, cash towards a bach, a platinum card and luxury travel. If the prize is not won, more cash is added to the prize for the next draw.

The Big Wednesday second division also jackpots each week it is not won. To win second division you must, on the same line, match all 6 numbers drawn. You do not need to match the correct heads or tails. The second division prize is a cash-only prize.

### WHAT IS THE COIN TOSS?

BIG WEDNESDAY IS DIFFERENT TO SATURDAY LOTTO BECAUSE IT INCLUDES A COIN TOSS SELECTION – HEADS OR TAILS. YOU MUST CHOOSE EITHER HEADS OR TAILS, OR YOU CAN COVER YOUR BASES AND GET BOTH FOR EACH LINE OF NUMBERS. TO WIN BIG WEDNESDAY FIRST DIVISION YOU NEED THE CORRECT COIN TOSS.

## HOW TO PLAY BIG WEDNESDAY

THERE ARE TWO EASY WAYS TO PLAY BIG WEDNESDAY

### 1. CHOOSE YOUR OWN NUMBERS AND COIN TOSS

Pick your own 6 numbers and coin toss by filling out a self-select Big Wednesday coupon.

All you have to do is mark 6 numbers and your heads or tails selection on a Big Wednesday coupon provided in-store. A line of numbers and a coin toss selection costs \$1.00. You must play a minimum of 4 lines costing a total of \$4.00.

You can also select both heads and tails for each line of numbers by marking the 'both heads and tails' box on the coupon. Playing both heads and tails for all the lines costs an additional \$1.00 per line. If you are playing both heads and tails and select the 6 numbers drawn on the same line you will win both first and second division.

### 2. GRAB A DIP AND LET THE COMPUTER RANDOMLY PICK YOUR NUMBERS

There are three different Dip options:

1. The computer randomly picks your numbers and your heads or tails.
2. The computer randomly picks your numbers but you select either heads or tails.
3. The computer randomly picks your numbers but you select both heads and tails.

	BASIC	SUPER	MEGA
HEADS & TAILS DIP	\$12	\$16	\$20
NUMBER OF LINES	12	16	20

## HOW DO I KNOW IF I'VE WON

JUST WATCH THE LIVE BIG WEDNESDAY DRAW ON TV ONE AT APPROXIMATELY 8.20PM EVERY WEDNESDAY.

Official results are also available at all NZ Lottery outlets, in many newspapers, on Teletext and by phoning 0900 90 900 (a standard charge per minute applies, ask the bill payer first).

## MUST BE WON WEEKS

Big Wednesday first division prize cannot jackpot if the prize for the next draw exceeds \$30 million (including the value of the non-cash prizes).

If this situation arises, a "Must Be Won" draw will be called. If the first division prize is not won in a Must Be Won draw it will be shared by the prize winners in the next lowest prize division with 1 or more winners.
